INTRODUCTION

The Students Conference is a regular feature in the calendar of events of The Malaysian Institute of Chartered Secretaries and Administrators (MAICSA). This year, the Conference will be jointly organised with Faculty of Administrative Science and Policy Studies, Universiti Teknologi MARA (UiTM) exploring the issue of graduate employability in the knowledge-driven economy.

The objective of this Students Conference is to help students gain a better understanding of the employability skills required by industry, to bridge the skills gap between business and corporate expectations and how students can construct and manage their employability as they enter the labour market. In addition, students will also learn more about the ICSA qualification and how ICSA can help to advance their careers.

Target Audience

Students of Universiti Teknologi Mara (UiTM) and other institutions of higher learning.
